Titulo	Dorsal jalon al pecho
Detalle	Dorsal jalon al pecho
	 An illustration of a person sitting on a bench, performing a chest pull exercise on a gym machine. The person is shown from the side, with their back to the machine. They are pulling a handle attached to a cable, which is connected to a weight stack. The person's arms are extended upwards, and they are pulling the handle down towards their chest. The machine is a standard cable machine with a pulley system. The person is wearing a dark tank top and shorts. The background is white.
